NSU

Call For Papers

2026 First International Women in Data Science Conference at North South University in collaboration with Stanford University (WiDS NSU)

March 8, 2026

North South University

Steering Committee

Chair: Prof. Abdul Hannan Chowdhury, VC, North South University

Members:

- Prof. Abdur Rob Khan, ProVC (IC) and treasurer, North South University
- Prof. Dr. Md. Mofazzal Hossain, ProVC, SouthEast University
- Prof. Khawza Iftekhar Uddin Ahmed, ProVC, Green University
- Prof. Dr. Moushumi Sharmin, Professor & Graduate Program Advisor, Western Washington University, USA
- Prof. Dr. Farhana Zulkernine, Coordinator, Cognitive Science Program, Queen's University, Canada
- Prof. Dr. Tanzima Hashem, Head, Department of CSE, BUET
- Dr. Tanzima Islam, Associate Professor, Department of Computer Science, Texas State University, USA
- Dr. Sarah Masud Preum, Assistant Professor, Department of Computer Science, Dartmouth College, USA

Organizing Committee

Chair: Prof. Dr. Md. Shazzad Hosain, Dean, SEPS, NSU

Co-Chair: Prof. Dr. Mohammad Abdul Matin, Chair, Department of ECE, NSU

Members:

- Prof. Dr. Rashedur Rahman, Department of ECE, NSU
- Prof. Dr. Nova Ahmed, Department of ECE, NSU
- Prof. Dr. Rajesh Palit, Department of ECE, NSU
- Prof. Dr. Abul Lais M S Haque, Department of ECE, NSU

Technical Program Committee (TPC)

Chair: Dr. Sumaiya Tabassum Nimi, Assistant Professor, Department of ECE, NSU
WiDS Ambassador 2026, Nominated by Stanford University

Members:

- Prof. Dr. Sifat Momen, Professor, Department of ECE, NSU
- Prof. Dr. M. Sohel Rahman, Professor, Department of CSE, BUET
- Prof. Dr. Swakkhar Shatabda, Professor, Department of CSE, BRAC University
- Dr. Nabeel Mohammed, Associate Professor, Department of ECE, NSU
- Dr. Shafin Rahman, Associate Professor, Department of ECE, NSU
- Dr. Novia Nurain, Assistant Professor, Department of CSE, BUET
- Dr. Adnan Arefeen, Assistant Professor, Department of ECE, NSU
- Dr. Nusrat Jahan Lisa, Assistant Professor, Department of ECE, NSU

Topics (Not Limited To)

- Data Science and Machine Learning Foundations
- Artificial Intelligence for Healthcare, Sustainability, and Social Good
- Responsible, Ethical, and Trustworthy AI
- Big Data Analytics, Data Engineering, and Cloud AI
- AI in Smart Cities, IoT, and Cyber-Physical Systems
- Emerging Trends: Generative AI, Quantum AI, and Advanced AI Systems
- Natural Language Processing (NLP) and Large Language Models
- Computer Vision, Pattern Recognition, and Image Processing
- Cybersecurity, Privacy-Preserving AI, and Federated Learning
- Financial Data Science, Fintech, and Business Intelligence
- AI in Agriculture, Climate Change, and Environmental Science
- Bioinformatics, Computational Biology, and Genomics
- MLOps, Edge Computing, and Scalable AI Systems
- Educational Data Mining and Learning Analytics

Important Dates

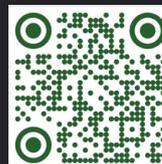

**Paper Submission
Deadline**

January 30, 2026

**Notification of
Acceptance**

February 20, 2026
